Sir,

Subject - Enhancing the present rate of Cycle allowance of the Health Inspectors of the Davanagere City from Rs 5/-P M to Rs 10/- P M

-- o --

In forwarding herewith in original the representation submitted by the Health Inspectors of this City Municipality praying for en-hancing the present rate of C A that is being paid to them from Rs 5/- to Rs 15/- P M in the light of the circumstances indicated in their representation, I write to state that this question was placed before the Municipal Council at its meeting held on 28-4-53 for its consideration when it was resolved that a recommendation be made to Government for sanctioning Cycle allowance at Rs 10/- Per Month to all the Health Inspectors of this City Municipality

A copy of the resolution of the Municipal Council is herein en-closed for favour of reference

I am to state that the present rate of Cycle Allowance of Rs 5/- P M that is being paid to the Health Inspectors is too small and in-adequate even to meet the maintenance of their vehicles, considering the present abnormal rise of prices of cycle accessaries Further Davanagere is a big and growing City having vast area The present rate of Cycle Allowance at Rs 5/- P M was sanctioned about 20 years back

There are in all 5 Health Inspectors and a monthly expenditure of Rs 25/- is being incurred towards payment of Cycle Allowance The proposed extra cost per mensum by increasing the present rate of Cycle

Allowance from Rs 5/- to Rs 10/- P M would be Rs 25/- This - extra expenditure of Rs 25/- P M during the current year i e from 1st April,1953 would be met from the Provision of Rs 1,51,474/- made under the head E2 Conservancy and Sanitation in the current year's Budget of the Municipality

I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council for payment of enhanc-ed rate of Cycle allowance from Rs 5/- to Rs 10/- P M to the - Health Inspectors of this City Municipality from 1st April,1953

Sir,

Subject - ENHANCEMENT OF CONVEYANCE ALLOWANCE AND PROVIDING UNIFORMS TO THE HEALTH INSPECTORS

We, the under signed beg to bring the following few lines for favour of kind consideration and sanction

At present we are being paid Rs 5/- towards Conveyance Allowance as the prices of the spare parts of the Cycle have gone very high it is not possible for us to maintain conveyance with this scanty allowances In the neighbour hood of Town Municipalities (like Shimoga) the same is being given at Rs 15/- whereas this being a City Municipality and we have to cover up a large area daily, the allowance now being given is quite insufficient and so the same has to be enhanced to Rs 15/- at least in consideration of the nature of the work The same was defferred in the last Council Meeting

RE-PROVIDING UNIFORMS

We beg to state that we were given a set of Uniform at the time of visit of His Highness the Maharaja of Mysore to this place and at the same time it was also promised that this would be continued every year, and also provision made in the budget

P T O

But the same has not been given effect so far We therefore humbly request you kindly arrange for the supply of Uniform for the us

The favour of an early compliance is requested

S.No 219 24-4-53

The representations of the Health Inspectors are reasonable As the prices of the Spare Parts of the Cycles have gone very high the necessary repairs cannot be met out of the Conveyance allowance received by them in full As such they are incurring heavy loss. So the allowance has to be enhanced to Rs 15/- at least This Subject was deferred in the last Council Meeting

Re Uniform Suppl - The Health Inspectors were given a Set of Uniform on during the time of the Visit by H-H the Minister's of Mysore to this place (7-8-1951) and the only Uniform has been received by them There is budget provision for this

There may be placed before the Council for sanction

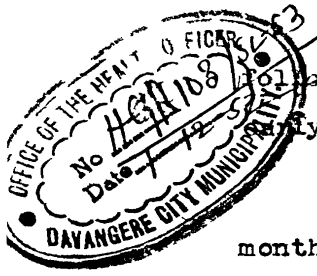
Sir,



We the under signed Health Inspectors beg to bring the following few lines to your kind considaration and favourable early orders

We are now getting the Cycle allowance of Rs 5/-only per month. In these hard days where all the accessaries of the Bycile have gone very high, it is not possible to maintain it with the stipulent we are now getting. In this connection we beg to request you kindly to consider our humble grivances and grant the enhanced Cycle allowance to us to the level of Sub-Overseers and the Revenue Inspectors of other sections of this Municipality who are benitting with an allowance of Rs 15/- per month. In other Municipality like Shimoga, the Health Inspectors are being given Rs 15/- per month towords Cycle allowance in consideration of the enhanced rates of the accessaries

Therefore, we humbly request you to kindly consider the same and grant us the enhanced allowance prayed

We beg to remain Sir,

The Health Inspectors are getting only Rs 5/- as cycle allowance whereas Sub overseers and Revenue Inspectors working in this municipality are getting an allowance of Rs 15/- each per month In other municipalities it is learnt the Health Inspectors get Rs 15/- as allowance In these hard days any extra emoluments paid to the low paid executive officials will go a long way to make both ends meet in places like Davanagere where life is costlier than Bangalore or Hospet The representation of the Health Inspectors may be favourably considered and may be placed before the Council for sanction
